

# Seedlings Weekly News

W/B 7<sup>th</sup> March 2022

## This week...

It has been another busy fun week from Sainsbury's to forest school and everything in between.

We've started to work on cleaning our teeth as part of oral motor activities and our PSED work.

We have started a new story this week - 'Where is green sheep'. It's a lovely book with simple language which focuses on prepositions and simple concepts.

Forest school

Brushing our teeth
