

Woodland Class's Weekly News

W/B 7th September 2020

It has been our first full week back in school, we have all worked hard and are ready for a break at the weekend - staff included!

We have got stuck onto our new picnic topic, starting a sensory story, contact dance, Tac-Pac, sensory bingo ball game and making scone today while making a big mess with the ingredients!

We have started wheelchair dance - exploring music from around the world.

One Wednesday afternoon we made the most of the nice weather and went for a walk around the park, it was lovely to get out and make the most of the fresh air.

We are still working back up to our routines, some of us have been very tired after being out of school for so long. Please feel free to get in touch with class staff at any time if you feel your child is struggling with the class routines.

We have had visits from the OTs to check class chairs and we have planned visits from the physios in the next couple of weeks to check standers and walkers.

We welcomed Evie into our class this week. Evie will be joining us for a few sessions building up to every day by the end of the month! Welcome Evie.

Don't forget to check the website www.acorns.lancs.sch.uk for the latest information.

Please contact me on jmiller@acorns.lancs.sch.uk or call to speak to any member of staff from class

We are continuing to ask for classroom contributions towards our consumables such as massage creams, messy play and baking. This is £1.00 per week or £7.00 for the half term.

And Finally... Well done to Rory and Zuzanna for being our stars of the week.

Rory has been focussing well on activities. He has turned to look at objects and watched them as they move.

Zuzanna has been very chatty, saying her name lots and starting to make choices using objects.
