

Oak Class Weekly News

Week Beginning 08/11/21

This Week

We had a great time at Worden Park and Buckshaw Village earlier this week. The children looked at different types of plants, enjoyed a picnic, and had some free time on the playground. They also practised road safety skills, learning how to cross the road safely.

In maths, we have been learning about length and measuring. We have been using cubes and hand spans to measure. Hendrix and Abdul worked really well together on this activity - well done!

In English we have been practising our reading comprehension and writing skills using 'colourful semantics' tools. The children have responded well to these approaches and worked well on the activities.

In PE, we have been doing gymnastics along to an 'Under the Sea' theme. This week, we used balls to help us balance, and stretched our arms to catch plastic fish. Samuel tried really hard and enjoyed the exercise!

Next Week

Monday 15th is **Odd Socks Day** for **Anti-Bullying Week**. It would be great if the pupils came in odd socks to support this - the brighter the better.

On **Thursday 18th November** we will be out on a **community visit** in the morning to film some of our class Christmas production. Look out for a letter in bags.

Please remember that **Friday 19th** and **Monday 22nd November** are **INSET days**. School will not be open to pupils on these days.

Reminders

Thanks to all who have been sending snack and food tech money - it is much appreciated.

Please remember that **Friday 19th** and **Monday 22nd November** are **INSET days**. School will not be open to pupils on these days.
