

# Woodland Class's Weekly News

W/B 9<sup>th</sup> May 2022

This week we celebrated 'MOVE' day in school. The MOVE programme is an activity based practice that enables children to develop independent movement. We have been running this programme in school for the last few years and had many successes. We celebrated MOVE day on Thursday, which involved a range of activities set up in the hall for everyone to access, each activity encouraged movement – side lying, sitting, reaching, standing, balancing or walking. This year's theme was 'MOVE saves the planet,' so every activity involved recycled or reused objects. Everyone had fun and enjoyed sharing activities with their friends from other classes.

We have enjoyed number songs, contact dance and Tac-Pac this week. We explored biscuits and dyed rice in messy play – making a seaside scene! In art work, we have started to make crowns for our jubilee celebrations. We have also had our shared music session with Ash class and some of us enjoyed a walk in the park on Friday.

Thank you to everyone who brought in chocolate donations today for our summer fayre.

Next Friday is also non-uniform day for donations for our summer fayre.

Friday 27<sup>th</sup> May is our Jubilee celebrations and everyone can wear red, white and blue!

## Acorns summer fayre

Saturday 18<sup>th</sup> June 11-1

## Acorns Half Marathon – sponsored event

Saturday 16<sup>th</sup> July

We will be walking between Fairhaven Lake and school!  
Please get in touch if you would like to join us.

Well done to Hugo for being our star of the week. Hugo has had a great week and made the most of every opportunity. He has worked hard on the eye-gaze too.
