

Ash Class's Weekly News

24th Sept 2021

This Week....

What a busy week we have had. This week we have continue to look at what the Saxons wore with us finishing off our Saxon shells and creating our very own foil brooches. In science and art we did our very own self-portrait and then we got to look at some different insects and drew them out as well. In maths we are continuing to look at counting and have now started to look at how to use a tens frame to add numbers from 0 to 20 some children are counting on from a number and some children are just adding on one. In PE we have continued our superhero gym class and we finished looking at how to balance. In literacy we looked at mapping out the story of the little green dinosaur and in phonics we looked at the sound P some children also looked at the Diagraph OA. In cooking we made raisin pancakes and then we went to Sainsbury's to shop for teacakes. On Friday sweet-and-sour these teacakes back to the staff in an effort to make some money so then we can go to the space at the end of term. Finally in our Forest School session we collected natural materials and made our very own birds nest

Next Week...

Next week we will be baking Saxon bread and learning about carnivores and herbivores.

Reminders

For those parents that have, thank you.

Snack fund is due for this term it's an 8 week term so please could we have £16. This is vitally important to help support cooking, messy play and snack time.

And finally, the star of the week is...

For being an enthusiastic mathematician.
