

# Ash Class's Weekly News

10<sup>th</sup> Sept 2021

## This Week....

What a fabulous first week. I am glad that all the children seemed to have settled in so well. Firstly, this blog should reach you every Friday so look out on the ASH class page to find out what we have done this week and what we will be doing next week. It also includes the star of week and any important notices.

This week we have spent time settling into new routines and I have spent some time baselining your children finding out what they know. We have been learning about ordinal numbers and have started to learn our new story 'The Little Green Dinosaur'. In our kitchen time we picked blackberries and made blackberry pancakes. Finally in History we are looking at the Vikings so we made some Viking boats and tested them to see if they would float.

## Next Week...

Next week we will be looking at different habitats, continuing our work on the Vikings and 'The Little Green Dinosaur'.

## Reminders

For those parents that have thank you.

Snack fund is due for this term it's an 8 week term so please could we have £16. This is vitally important to help support cooking, messy play and snack time.

And finally the star of the week is...

Is going to go to the whole class for a great start to the term!
