

# Ash Class's Weekly News

10<sup>th</sup> Dec 2021

## This Week....

What another fabulous week. Firstly, we had finished off our Dance topic and recorded them so we could see how good they were. In maths we looked at 2d shapes, we talked about their names and properties then enjoyed a game of shape Bingo. We made Christmas cards, Christmas biscuits and other Christmas related crafts. We really got in the spirit of things. Unfortunately, we didn't get to go to the cinema, but I am hoping to reschedule it for next Tuesday. In baking we made gingerbread biscuits and iced them. Finally, a choir from Leyland came in to sing for us. We had such a great time.

## Next Week...

Plenty of Christmas fun! Don't forget we finish on Friday at 1pm.

## Reminders

**Possibility that we may go to the cinema on the 14<sup>th</sup> Dec as we couldn't go this week due to the weather.**

**And finally, the star of the week is...**

**For Super Communication! He is starting to distinguish between two symbols let keep up the good work.**
