

Oak Class Weekly News

Week beginning 10.01.22

This Week:

The children have continued to engage well in our **new curriculum**. They are really enjoying the topic of **Castles and Dragons** and they have done some brilliant work and activities.

In **My Communication and Interaction** we have been looking at the story of **Zog** in more detail. We have challenged ourselves by answering lots of questions about the plot and the characters.

In **Myself and My Active Body** we have been playing a castle target game and we have enjoyed our walks in Moor Park.

In **My Thinking and Learning**, the pupils have been trying really hard with their addition skills. Brandon, Luke and Mohammed have all been learning the basics of column addition - well done!

In **My Creativity**, the pupils have been baking some medieval biscuits and have started to make some jester puppets. Some pupils have also begun to learn how to play 'Puff the Magic Dragon' on the glockenspiel.

Next Week:

On **Wednesday 19th January**, we will be going on a visit to see a local castle - please look out for letters in bags.
