

Woodland Class's Weekly News

W/B 10th January 2022

This week, we started our weekly walks around the park. Hugo, Myles and Luca had a great time. Luca shouted all the way round!

We have started some artwork for our farmyard sensory area, painting different animals and a giant fence!

We have experienced all our sensory stories – the little red hen, farmyard hullabaloo and Farmer Ted. And we have started our new farmyard themed parachute session. It's been a busy week!

We have introduced the Makaton sign of the week in school, encouraging staff and children to use this sign. Please follow the link to find out more.
[https://makaton.org/TMC/The Makaton community/Sign of the Week.aspx](https://makaton.org/TMC/The_Makaton_community/Sign_of_the_Week.aspx)

We are incredibly lucky to have a music therapist in school each week. I am sending consent forms home for the children who have been referred initially. Please send these back as soon as possible.

Classroom contributions are £1 per week or £6 for the half term. These contributions really do help with our consumables used in class.

There have been lots of updates regarding covid-19 this week. Please read the latest message from school and contact school if you have any questions.

Well done to Luca for being our star of the week. Luca was amazing on our walk around the park, happily shouting the whole time!
