

Oak Class Weekly News

Week beginning 11.07.22

This Week

This week has been lovely! The weather has been perfect for lots of outdoor activities. Here are some of the things we have been doing:

- We have continued with our car wash as an enterprise project. The staff who have had their cars washed have been really pleased with the results.
- The two sports days were great fun. Thanks to all parents who managed to attend. The children really enjoyed themselves and took a full part in all the activities.
- We had some time in the outdoor area in Woodlands Class. The children loved engaging in all the different activities and playing together.
- We have been learning about fractions of shapes in My Thinking and Learning. Some children have also started to look at fractions of numbers, starting with halves.
- Our Year 6 Leavers' Assembly was a great celebration - we are really proud of our pupils and wish them all the best at Sir Tom Finney Community High School.

We will send PE kits home in the last week. A big thank you to Nicola who has washed them at intervals during the year.

Next Week:

On **Wednesday 20th July**, we will be going on our trip to the **cinema** and **McDonald's**. We break up for summer holidays on **Friday 22nd July**. Children will need to be picked up by parents at 1pm, unless you have let the office know otherwise.
