

Oak Class Weekly News

Week Beginning 11/10/21

This Week

We have been up to lots of things this week!

We have been learning about 'more' and 'less' in maths. We have been using lots of practical methods to practise this. You might want to try working on this at home with groups of objects. Brandon and Luke did really well and moved onto 'greater than' and 'less than' using symbols!

The Macmillan Coffee Afternoon on Wednesday went really well. Thanks for all the donations and to those who managed to attend. Grace and Abdul were fantastic hosts! Well done and thanks for their help.

The children have been practising their rugby in Rugby Tots on Thursdays. We have seen some real progress and improvements in their skills! Thanks to Coach Ian.

We went to Arnside today. It was lovely weather so we had a great walk and sketched the viaduct. The children loved watching trains as they trundled past. Pupils also bought stamps and posted letters - look out for them in your mail. It was great to have lunch whilst sitting looking at the estuary. Everyone behaved really well and enjoyed the trip out.

Next Week (and beyond)

Some of the things we will be doing next week:

Non-perishable **harvest donations** for St Mary's Food Bank would be gratefully appreciated.

We will continue with our **visits to Sainsbury's and Moor Park**.

We break up for **half term on Friday 22nd October** returning to school on **Monday 1st November**.

Next **Friday 22nd October**, pupils may wear pink for '**Wear it Pink Day**' for breast cancer. Donations would be appreciated.

On **Monday 1st November**, the pupils will be taking part in a **Halloween Hunt** around school - they may come dressed in Halloween clothes if they wish.
