

We have had fun packed week this week with lots of lovely Autumn themed activities. The children have been working really hard!

Happy Birthday to Amelia for last Sunday!! She enjoyed blowing out her candles

Our sound this week was i, we did some super colouring, writing and playing in ice. The children enjoyed playing with igglepiggle too!

Autumn themed learning!

We enjoyed creating lovely Autumn themed Artwork this week!

Welly foot prints!!

Our Bodies Science

### REMINDERS-

Thank you to everyone for sending in contributions for the class fund, much appreciated. We have stocked upon lots of messy/sensory play resources.

Next week we are going to be having a "Spooky" Themed week in preparation for Halloween over the half term. We will be having a little party next Thursday afternoon so the children can come dressed up. Please don't feel you need to spend money on outfits though, a homemade costume will be fab or hallween colours! If you are happy for your child to have their face painted please can you let us know via the tile/book. If anyone would like to send if snacks for Thursday this would be greatly appreciated too! Also if you have any Halloween decorations you no longer need we would welcome any donations!

THANK YOU!! Sophie 😊 - smartindale@acorns.lancs.sch.uk

We have had a good week this week with lots of Autumn themed learning activities, we had a great PE session on Monday. All the children are making great progress with their listening skills and joining in nicely.

We had a very messy, fun art lesson on Tuesday where we enjoyed making autumn footprints in our wellies, handprint hedgehogs and exploring the Autumn tuff tray.

Each morning the children are working hard on their individual targets, focussing well and feeling proud of their accomplishments! The star charts are working really well, the children love to be given one and praised for their achievements and efforts!

In our science this week we had lovely dark box for the children to explore, they enjoyed crawling inside to look at the fibreoptics and twinkly lights. We also explored different smells and textures as we learnt about our senses.

In forest school this week we made 'seed bombs' it was lovely and messy and we look forward to seeing the seeds grow into beautiful flowers! We will be throwing the 'bombs' next week when we visit forest school on Tuesday.

On Friday we made a scarecrow for our school scarecrow competition, we had lots of fun doing this with Janet! We hope we win!! There will be a picture of this on the blog next week for parents to see.

We've also enjoyed lots of different sensory activities this week including sensory bingo, tac pac, vestibular, hand awareness and sensory number.

We hope you have a lovely weekend

From all of the Elm Class Team 😊

Storytime Fun!
