

Ash Class's Weekly News

12th Nov 2021

This Week....

What a fantastic week we have had. We started out the week by looking at how we use a ruler to measure, making sure that we start at 0cm with a ruler. We then started our new PE topic which is all based on dancing to music. In literacy we designed our very own little green dinosaurs out of salt dough. We painted them and then next week we're going to write a sentence about what they look like. In phonics we looked at the sound D and oo. In art we started our new topic on an illustrator called Ashley Percival. This particular illustrator likes to do lots of different patterns which will hopefully help develop how we use our pencils when we write. On Thursday we spoke a lot about Remembrance Day and we did lots of crafts and talking around Remembrance Day. Finally on Friday we read our books in the forest even though it was quite wet.

Next Week...

It's odd sock day on Monday. We will be going to space on the Tuesday the 16th. We also have a short week as we finish on the Thursday.

Reminders

For those parents that have, thank you.

Snack fund is due for this term it's an 7 week term so please could we have £14. This is vitally important to help support cooking, messy play and snack time.

Mug needed for baking.

And finally, the star of the week is...

This week star of the week is Jessica for using her communication book to request for things, for super reading and smiling throughout the week.
