

Ash Class's Weekly News

6th April 2022

This Week....

What a brilliant week we have had. This week has seen Ash Class do things in and out of school. On Wednesday, some of Ash Class's pupils went to Holly Grove in Burnley to do the GLD sports day event. They were all super behaved and did a fantastic job in all the different events that they put on. On Thursday, Jessica and Ethan were involved in move day, a day centred around developing different gross and fine motor abilities. Finally, on Friday some children from Ash Class continued their experience of canoeing at Hothersall lodge. This week in maths we looked at how to share fairly into different groups then total how many each group had. In my creativity we continued to look at 'Andy Goldsworthy' and we created some paint leaf spirals. This week was about exploring how 'Andy Goldsworthy' uses colour to create different patterns. In my world we looked at the life cycle of a butterfly, in Ash class we have real life caterpillars that are going to grow into butterflies. Finally, in literacy we continued to look at different sounds in phonics, colour semantics and we acted out the story of the little wiggly worm. Finally in baking we made Oreo bees.

Next Week...

We will be mapping out the story of the little wiggly worm.

Reminders

Snack fund for next term will be £12 as it's a 6 week term. This is vitally important to help support cooking, messy play, toast at Sainsburys and snack time biscuits and juice.

And finally, the star of the week is... Omar

For super effort with his communication and behaviour.
