

Seedlings Weekly News

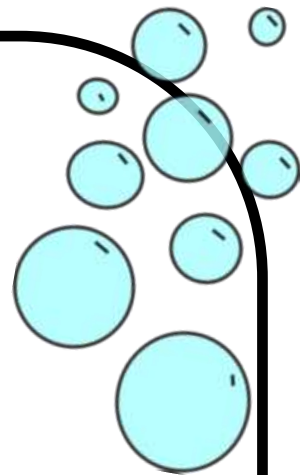

W/B 13th September 2021

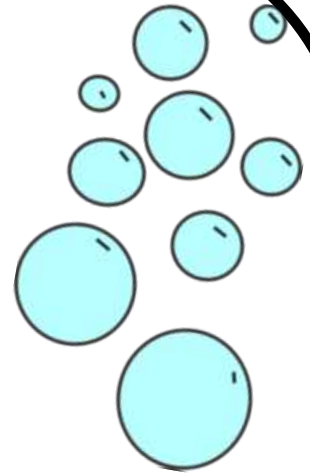

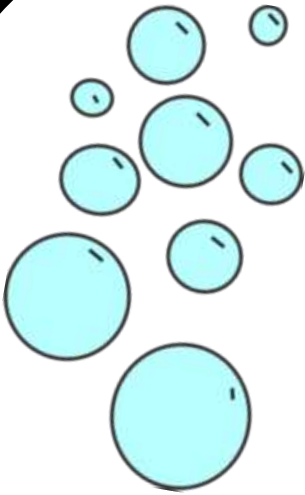

This week....

We've had another lovely week in school. The children are becoming more familiar with the routines and structures of the day. They have all been busy bees and are settling well into class and we've had a few tired moments this week.

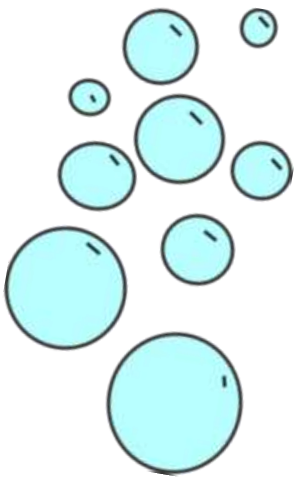

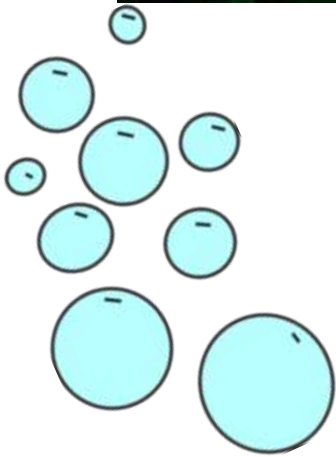

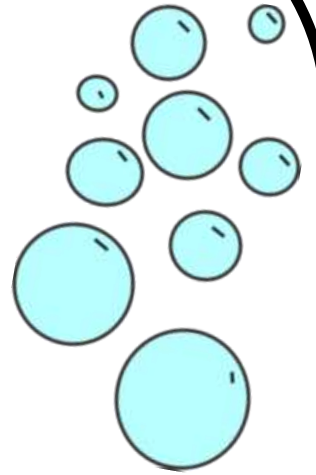

We have been working on our oral motor skills and enjoying the bubbles.

We all had fun on the trim trail and accessing the different equipment.

Reminders

Please can you ensure that your child's clothes are clearly labelled.
We ask for a weekly voluntary contribution of £2.00 for snacks,
sensory and baking items.

PE lessons are on Wednesday, if your child attends on Wednesday
please ensure their kit is sent into school.

Next Week...

We will be continuing our work about octopuses and starting to learn
about star fish.

Please send in or email to lhall@acorns.lancs.sch.uk photos of the
children at home or when you go out and about to support the
children's learning journeys at school. We often show the photos to
children for discussion and so we can share our weekly news.
