

Ash Class's Weekly News

16th October 2020

This Week...

What a busy week we have had! In literacy we are continuing to film and write part of the Gruffalo story. All the children have really enjoyed doing this with me. In Maths we have focused on doing less than this week with some children now using a 100 square to find out what 10 less is. In science we finished our light experiment and in History we made our very own cave painting. Finally in DT we made our very own stone age flat bread so I really hope you enjoyed eating it as much as we did making it!

Next Week...

We will be making our very own scary scarecrow! Wish us luck!

Reminders

Please do not forget to send back in their News packs

And finally the star of the week is...

For super Maths work! He always tries hard and doesn't give up easily.
