

Willow Class News

On Monday - we continued our Art project 'Waves' by Hokusai. Everyone was really focused and all the children produced fantastic work for our Hokusai display.

On Tuesday - we learnt about quarters in Numeracy; we quartered different fruits to make a fruit salad. Everyone enjoyed the Numeracy lesson and especially eating the watermelon afterwards. Pharrell has worked so hard in Numeracy this week and has been a superstar!

On Wednesday - in our Science lesson we continued to learn about materials. Everyone was able to identify and sort the different materials. Dylan was amazed that the vinegar container was both glass and plastic (lid)! ☺

In our French lesson learnt about the Eiffel Tower in France. Willow Class were very impressed with how tall the Eiffel Tower was! We then built our own Eiffel Tower's out of Lego bricks. Omar worked independently and created a fabulous Eiffel Tower - well done Omar!

On Thursday - we had a lovely trip out to Avenham Park! All the children enjoyed rolling down the grass hills, playing on the park and the freedom of being out! Everyone was really well behaved, a credit to Acorns Primary School!

On Friday - we created cairns using painted pebbles in our Forest School session. Mohammed did a great job of painting the pebbles and balancing them on top of each other - well done Mohammed!

We also finished our Father's/Grandad's Day cards for Sunday. We hope you all like them and enjoy your special day! ☺

And finally...

Star of the Week goes to...

Jess, for fantastic communication and requesting during a Sensory Bingo session! Well done Jessica!

Reminders...

Parents Evening - Wednesday 23rd June 2021

If a member of your family shows signs of Covid-19 symptoms, please follow the government guidelines

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance?priority-taxon=774cee22-d896-44c1-a611-e3109cce8eae>

Look what we've been up to this week...

HAPPY
Father's
DAY
