

Willow Class News

This Week...

In Willow Class this week we have celebrated Anti-bully awareness by wearing our odd socks. Well done everyone for joining in!

On Tuesday, we walked to PNE and Sainsbury's going through park. We had a great time and took lots of fabulous photographs! In Science we have been looking at electricity. We walked around school looking at the different appliances that give us electricity.

On Wednesday, we showed off our football skills. We practiced dribbling, and kicking. There are going to be some fantastic footballers on the horizon! We also made natural cleaning products for washing Woolly Mammoths! They smelt....different! We also papier mache'd some plastic eggs for painting next week. Viren brought his eggs in to show everyone, and was a star at explaining how you open each egg to reveal another. We were surprised there were so many!! Well done Viren!

Today we played out in Forest School. We were playing the den and helping Janet to pull out all the weeds and nettles! This afternoon we filmed our nativity songs, and we were absolutely fantastic!

And finally...

Star of the Week goes to...

Mohammed and Ethan, for sharing a lovely maths session together

Reminders...

- INSET tomorrow - **Friday 20th Nov and Mon - 23rd Nov***

On Fri 27th Nov - We are having a **non-uniform** day - we asking for a donation of **pamper products** to go towards our Christmas hamper. Thank you

Look what we've been up to this week...
