

Seedlings Weekly News

W/B 17th January 2022

This week...

This week our colour focus has been rainbows...

The children all appear to be motivated by our colour topic and are engaging well with the different activities.

We have painted and coloured in rainbows. Colouring in rainbows - working on our pen coordination and control.

We also made rainbow biscuits. In messy play we explored shaving foam, colour and used the tools to make rainbow shapes.

The children have been matching and talking about colour and using colours to create different pictures. We are pleased with how well they have been concentrating on task and focusing their attention.

Many of the children can identify and recognise colours.

We also made colourful rainbow fruit kebabs and sampled different fruits.

We continually work on activities that help to develop the children's oral motor skills.

Making biscuits

Exploring the coloured rice through scooping and pouring.

Next week: we are learning about Winnie the Witch – an email has been sent out with some details about next week.

For those who attend on a Friday – please remember we will have a witches and wizards party- any donations of party food are welcomes – but no pressure to do so 😊

Reimnders:

With the increase of covid cases, we are conutining to keep everyone as safe as possible. If you child displays symptoms it is advisery to LFT this will help with the spread of infection and the virus.
