

Ash Class's Weekly News

17th June 2022

This Week....

What another action-packed week we have had. This week we continue to look at measuring in maths. We measured in cubes, or we used a ruler to measure. First of all, we needed to ensure that we use the rule of properly and then from that point we had to make sure that we lined up the object at zero before we measured it. All the children have given it a very good go. In PSA chi we looked at Father's Day and why we celebrate it we then went on to make Father's Day cards. On Tuesday we went on our trip to Pendle to see the singing tree. And then on Wednesday we wrote about it. In baking we continue to look at book biscuits and then in the afternoon we decorated them and sent them home to eat. We looked at parts of an insect and then also how we classify different insects using a flow chart of. Finally, we made some signs for the school fete and continued to practise our reading.

Next week – we will be looking at capacity. If you have any clear containers, please send them in.

Reminders

Any clear plastic containers please could you send them in as we are doing capacity

Snack fund for next term will be £14 as it's a 7 week term. This is vitally important to help support cooking, messy play, toast at Sainsburys and snack time biscuits and juice.

And finally, the star of the week is... Khane

Super effort in controlling his emotions when playing games.
