

Ash Class's Weekly News

17th Sept 2021

This Week....

What a great 2nd week. This week we have practicing our counting skills making sure that we can count groups of objects and objects that are in a line. We have then either been writing the number or showing an adult on a number line. In PE we have been superheroes practicing different types of rolls. In science we looked at birds and mammals and spoke about what the difference was between them. We also took our first visit into the community and had some toast in Sainsburys and went shopping for ingredients for cooking. In our kitchen time we made lemon and raisin pancakes. In RE we looked at Hinduism. Finally, we went over the sounds 's' and 'a'. Some children are great at this so we practiced blending these sounds.

Next Week...

Next week we will be looking at what is the difference between mammals and insects, how to count effectively and acting out our own story of the Little Green Dinosaur.

Reminders

For those parents that have, thank you.

Snack fund is due for this term it's an 8 week term so please could we have £16. This is vitally important to help support cooking, messy play and snack time.

And finally, the star of the week is...

Millie and Rhys who are new to Acorns! Well done for settling in.
