

Woodland Class's Weekly News

W/B 18th January 2021

We have had a busy week this week, really enjoying our new topic. One of our favourite sessions is our colour contact dance, we love seeing the classroom light up different colours. We have shared this with everyone to use at home.

We have sent links to our number songs videos. These are in place of our weekly Zoom session due to staff training on Friday. The staff really enjoyed making them, you may notice us trying our hardest not to giggle!!!

We have started to have companies in to plan our equipment for our sensory garden this week. It is very exciting choosing equipment, shelters, colours and flooring! We can't wait.

Thank you for all the photos we have received from home. If you complete any home learning at home, it would be lovely to see photographs of the children. Please email them to me jmiller@acorns.lancs.sch.uk

We will have a class zoom session on Friday 29th January at 10:30. I will send details out next week.

And finally... well done to Myles for being our star of the week. Myles has been working really hard on bench sitting. He also held and shook a shaker independently!

Evie liked the
pink objects best
in our colour
story
