

Seedlings Weekly News

W/B 18th October 2021

This week...

It has been a spooky spectacular week!

The children have been enjoying and participating in all the different activities.

Our focus story was meg and mog and all the children responded well to this.

We have been creating lots of different pieces of art work. Our craft work has involved gluing, collaging, painting and drawing. We hope you all like the pieces that come home and appreciate all the budding artists that we have in class!!

Our party was very exciting on Wednesday. The children looked fabulous. We were all able to access the hall and listen and move around to the music. We had a sit and sing session and then came back to eat treats. Thank you so much for all the party food donations!! Very kind of everyone. The children certainly enjoyed themselves.

In mark making this week we used the slider web cards. We were pleased with the concentration and effort from those that are part of this group. We are seeing really progress with pen control and concentration.

During exploratory play we made a witches brew. Not all the children liked the taste but some of them enjoyed it.

In creative play the children made play dough spooky cakes! The end results were very impressive and I'm sure would have been very popular in a monster cafe!!

In our world learning we caved a pumpkin. The children all helped, using the tools with supervision and handling and explore the pumpkin seeds and pulp.

We've also had sensory trays out – which the children have all shown interest in.

It's is hard to believe that we are at the end of the first half term. The children have settled in beautifully and we proud of how well they have all done.

We hope you all have a wonderful half term and we will look forward to welcoming everyone back from Monday

Reminders

Have a lovely half term!!
School reopens on Monday 1st
Novmeber

After half term...

We will be learning about bonfire night,
campfires and Diwali
