

Oak Class Weekly News

Week Beginning 18/10/21

This Week

As we come to the end of a busy half term, it is lovely to reflect on all the things that the children have done and how well they have settled in. They have worked really hard, so will be ready for a good break.

We have enjoyed making Halloween decorations this week. These will be used to decorate our classroom door for a competition when we come back to school.

We've also been learning some Makaton signs for different Halloween themed words. The children really enjoyed this and thought it was good fun!

In geography, some children have been looking at the map of Spain and labelled it with places and pictures. They look lovely!

Most of the children have finished writing a short fable. They have been practising a lot, and it was great to see their finished pieces of work. We are really proud of them.

We have had some reviews this week. Thank you to parents who attended and well done to the children on such fabulous progress.

Next Week (and beyond)

We break up for **half term** on **Friday 22nd October** returning to school on **Monday 1st November**.

Some of the things we will be doing the week we return:

We will continue with our visits to **Sainsbury's and Moor Park**.

On **Monday 1st November**, the pupils will be taking part in a **Halloween Hunt** around school - they may come dressed in **Halloween clothes** if they wish.

Reminders

Please label all items of clothing clearly with your child's name.
