

Woodland Class's Weekly News

W/B 19th October 2020

We've had a very busy week this week with lots of different celebrations and events.

We celebrated Black History Month, we have been listening to music by influential musicians and finding out about people from the BAME community in Preston, exploring objects and images.

We have been exploring Hinduism and Diwali, we are going to continue this after half term. We've listened to music, explored objects, smells, tastes, images and sounds. As well as massage and relaxation.

Today was 'Wear It Pink Day' thank you to everyone who dressed up and donated to a charity very close to our hearts.

We have been on a scarecrow trail around school today. We particularly enjoyed exploring straw while making our witch scarecrow. Our topic after half term is witches and wizards so we will be seeing lots of the scarecrow after half term!

The school council provided all classes with breakfast and a chance to relax and socialise as a treat for everyone's hard work this half term.

Thank you for all of your donations today for Breast Cancer Awareness. Every penny is appreciated.

Our topic after half term will be witches and wizards. We are hoping to have a party in our first week and dress up. I will send out details!

And Finally... Well done to Minahil and Rory for being our stars of the week.

Minahil has been part of Woodlands class for two weeks and she has already settled in so well. She is communicating with staff by smiling and vocalising, and is excited to join in.

Rory has been interacting with Minahil, turning to smile and giggle with her. What a good friend!
