

Ash Class's Weekly News

19th Nov 2021

This Week....

Wow what a fabulous week we have had. This week we explore what anti bullying week was and we wore odd socks on Monday. We spoke a lot about how it feels. In maths we started to look at subtraction and we used the 10s frames to help us understand this. In literacy we used the colour semantics boards to help us create sentences that describe the dinosaurs we had made. We all really impressed with how amazing our dinosaurs look. On Tuesday we went to space and the children really got a lot out of the experience. There was lots of fun and sliding down the huge slide at space. It was really nice to see how the children interacted with the different sensory elements within space. We have also been practising our Christmas song and thank you to Rhys parents for the kind donation of the inflatable guitars. Finally in art we were looking at our illustrator Ashley Percival and we use lots of different media to create patterns to decorate our Ashley Percival owls.

Next Week...

Don't forget we are not in on Monday and the children will return to school on Tuesday.

Reminders

For those parents that have, thank you.

Snack fund is due for this term it's an 7 week term so please could we have £14. This is vitally important to help support cooking, messy play and snack time.

Mug needed for baking.

And finally, the star of the week is...

Viren for super communication using his book to tell us what he wants!
