

Ash Class's Weekly News

19th March 2021

This Week....

What a fabulous week. This week in literacy we have been looking at creating our very own newspaper article based on what we have done at the weekend. We then wrote it onto newspaper. Next week we will read out our news article with the green screen in the background. We will read back our news as if it was a real news! In maths we finished off looking at subtraction and using number lines to solve it. This week we celebrated Saint Patrick's Day and we made our very own green cheesy scones. They actually tasted fantastic. In PE we worked on our rolling skills and we were able to throw the balls to knock down the skittles. That was so much fun. In art we did our final lesson on Kandinsky where we made our very own 3-D spiral hanging decorations. All based on how Kandinsky used colour. Finally, on Friday we celebrated Comic Relief. We told each other jokes to make each other laugh and then we completed lots of different Comic Relief crafts. It was a great day and we loved to dress up.

Next Week...

It is Easter crafts next week! We can't wait!

Reminders

Next week is the end of term and our class will close at 12:30pm

And finally the star of the week is...

For super talking! Sam was able to recall what he did at the weekend and spoke about his first walk with Reggie!
