

Oak Class Weekly News

Week beginning 20.06.22

This Week

Thank you to all parents who managed to attend Parents' Evening. It was a wonderful event with the chance to celebrate how well everybody has done.

- An investigation in science to see the effects of exercise on heart rate
- Some great work on capacity and volume, including reading scales;
- Making story scenes and describing them;
- Lots of water play to cool down in the heat;
- Reading maps and locating places using map symbols;
- Junk modelling - fire stations;
- Sharing stories with students from Stonyhurst College.

Next Week:

On Thursday 30th June, Year 6 pupils will be going to Sir Tom Finney High School for their last transition session from 11.30 until 1.30pm. The visit the week after has been cancelled.

On Friday, we will continue with our normal Sainsbury's visit.
