

# Seedlings Weekly News

W/B 20<sup>th</sup> June 2022

This week...

It has been a hot one this week – but we have loved being outside and having lots of water play.

This week we have continued to learn about our bodies and we have also been learning about the church.

We coloured in stain glass window sheets.

The children have been helping with tidying up.

On Monday afternoon we are going to visit St Greg's Catholic church.

We ask for weekly contribution of £2 towards baking/messy play/ snacks/ our trip to Sainsbury's. Any donations are greatly received.
