

Seedlings Weekly News

W/B 20th September 2021

This week....

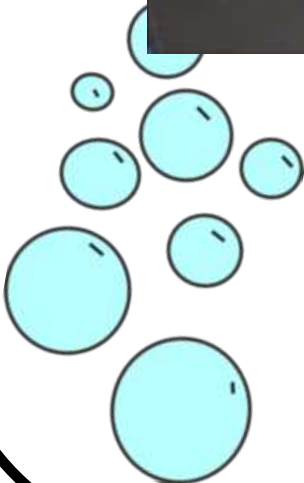

We had our first visit to Sainsburys. We were able to visit the café and some of the children tried some toast.

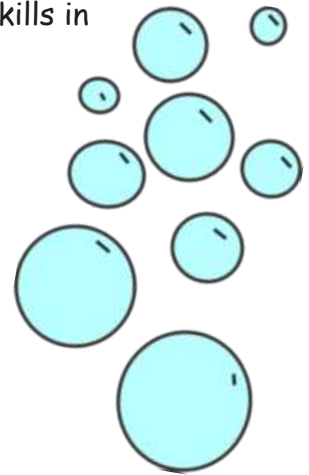

Some of the children went for a walk on the park. This will form part of our learning and we will have regular wellie walks. This will help the children to become aware of our

local environment and have understanding of the world around them.

The children have been exploring textures and early mark making skills in our fish and glitter in the tray.

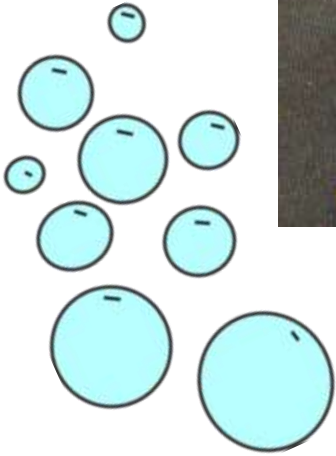

We have continued to develop our expressive arts and design work and making different crafts for our sea theme. We have worked on cutting skills and gluing and sticking.

We painting and collaged star fish (or sea stars as they should be called) pictures.

Reminders

Please can you ensure that your child's clothes are clearly labelled.
We ask for a weekly voluntary contribution of £2.00 for snacks,
sensory and baking items.

Children need a coat for everyday they are in school.

PE lessons are on Wednesday, if your child attends on Wednesday
please ensure their kit is sent into school.

Next Week...

We will be continuing our work about jelly fish.

Please send in or email to lhall@acorns.lancs.sch.uk photos of the
children at home or when you go out and about to support the
children's learning journeys at school. We often show the photos to
children for discussion and so we can share our weekly news.
