

Woodland Class's Weekly News

W/B 20th September 2021

It's been a very busy week in woodlands Class! We've been out of class to enjoy vestibular, sensory drama and wheelchair dance. Some of us have enjoyed the sensory room and being outside with other classes at play time.

We made penguins during artwork and have explored lots of cold items during hand awareness – some of us love the ice and some of us hate it!

We have been outside exploring the outdoor area, materials and the rainbow toys we have hanging up. We love listening to the different sounds, wind through the trees, the birds and our wind chimes.

On Fridays we are enjoying a full massage session, its lovely to all be out and enjoy the calmness at the end of the week!

Texts have been sent out regarding nasal flu vaccinations – please respond by 12th October

School photos
wil be taken on
4th October

Well done to Myles for being our star of the week!
Myles has enjoyed everything this week, he has smiled from start to finish!

Vestibular
time!
