

# Oak Class Weekly News

Week Beginning 20/09/21

## This Week

We have been hard at work doing lots of different things this week.

It has been National Recycling Week, so we have been looking at different bins around school and sorting rubbish to go in them.

In Food Technology, we have continued to make and try a range of Spanish foods. This week, we made 'chocolate con churros'. The children worked hard and the final product went down very well ¡Muy delicioso!

We have been reading the legend of 'Robin Hood'. The children have participated in some great role-plays and some have written a few sentences to say what happened in the story.

In art, we have been learning all about the primary and secondary colours, and colour mixing. What a fun-filled lesson we had!

## Next Week

Some of the things we will be doing next week:

Some of our pupils will be representing the class at School Council. You might want to chat to your children at home about some of the things that they might like to put forward, e.g. suggestions for trips, activities, etc.

## Reminders
