

Oak Class Weekly News

Week beginning 22.02.22

This Week:

We hope that you all had a good half term. We were sorry to hear that some families were being affected by the virus, but hope that everyone is back to full health again.

We have had a lovely week.

On Tuesday, we had some visitors from Edge Hill University. They helped us with a 'book bench' project that we have been working on. The children worked hard and engaged well with our visitors.

The children have been learning more about shape and have been looking at the properties of 3D shapes. There has been some impressive work!

In **My World**, we did some brilliant role-plays and a fact file about William the Conqueror. It was great to see the pupils joining in with the drama work and the facts they remembered about this historic figure.

It has also been great to practise our functional skills and to get some exercise with our regular walks in the park and visits to Sainsbury's. Some of the children wrote shopping lists with healthy foods and went to buy them at the shop.

Next Week:

On **Thursday 3rd March** it is **World Book Day**. We will be doing activities based around the story 'Zog and the flying Doctors'. If they wish, children may come dressed as a dragon, a nurse, a doctor or their own colourful clothes.

We will continue with our regular **park walk** and visit to **Sainsbury's** on **Thursday** and **Friday**.

Reminders

PLEASE BE ALERT TO ANY COVID SYMPTOMS OR GENERAL ILLNESS AND DO NOT SEND PUPILS TO SCHOOL IF UNWELL
- CONTACT US FOR ADVICE

If you need to speak to us, please phone school on 01772 792 681 or email:

And finally...

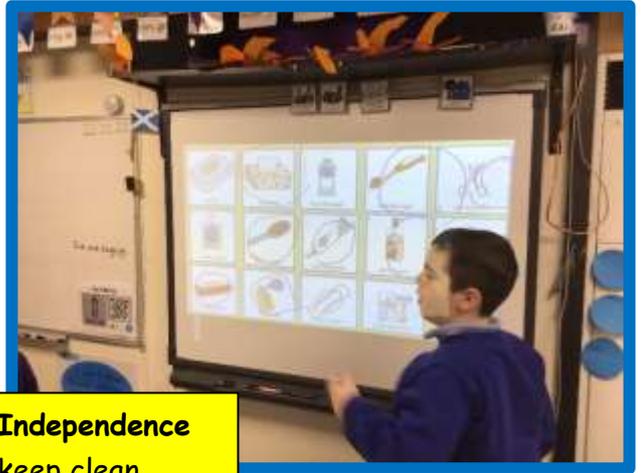

Don't forget

Star of the Week

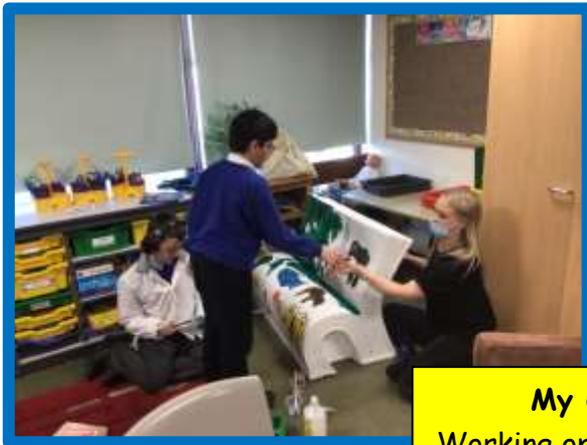

Hendrix

for caring about his work and for a brilliant verbal description of Madam Dragon in our story.
