

Oak Class Weekly News

Week Beginning 22/03/21

This Week

We have had a really good last week of term.

The children have worked hard and engaged in lots of activities. In addition to our normal work, they have enjoyed lots of Easter themed activities, such as the egg roll, an Easter egg hunt, an Oak Class chocolate bingo game, and lots of Easter crafts. Jayden was a great bingo caller in our bingo game.

In our maths lessons, we have been revisiting the topic of time using analogue clocks. If you have time to practise times on the hour, half-hour, quarter-to and quarter-past, it would help to reinforce what we have been doing in school. Look out for real-life opportunities.

We really enjoyed doing a fossil hunt role-play on Thursday. Connor really got into character and got a few laughs along the way.

Nicola and Karen were really impressed with pupils' hard work with the car wash last week, so bought them all an Easter egg. Well done, everybody!

When we come back after the holidays, we will be doing phonics lessons in streamed groups with our bubbled class Ash Class. This should be a great fun way to learn and to mix with other friends.

We hope that the weather is good and that the children have some good family time over Easter, and we will really look forward to seeing them all again after Easter.

We have done a little video for Easter, telling part of the Easter story. If you are interested in having a copy, please email Mr Worsley.

Reminders

If you need to speak to us,
please phone school 01772 792
681 or email:
cworsley@acorns.lancs.sch.uk

And finally...

Stars of the Week

Jayden

for working so hard this week, and
for volunteering to be our bingo
caller.

Jenson

for managing his emotions,
trying hard with his work, and
staying calm.

Making our own 'fossils'

Practising the time

Easter Egg Hunt

Coding work in our computing lessons

Bingo!
