

Ash Class's Weekly News

W/B 18/04/2022

This Week....

What a fabulous start to the week we have had. This week we started our new maths topic, looking at time. We first explored day and night and then we started to look at o'clock. In literacy we have looked at our new story, the story of the little wriggly worm. In baking, we decorated some biscuits to look like ladybirds as our new term topic is all about nature, minibeasts and growing things. In my creativity, we did lots of different hand prints. Then, in my world we looked at the parts of the flower and planted some seeds. Finally, we had some time in Woodlands class to do some singing. We had such a good time.

Next Week...

We will continue to explore the different parts of a plant and look at what we need to do to ensure our plant grows.

Reminders

Snack fund for next term will be £12 as it's a 6 week term. This is vitally important to help support cooking, messy play, toast at Sainsburys and snack time biscuits and juice.

And finally, the star of the week is...

Rhys for super behaviour and a great attitude to learning.
