

Willow Class News

This Week...

Another busy week has come and gone in Willow Class!

On Monday we continued learning about electricity in our Science lesson. We also explored shadows and how they are formed, everyone was very impressed!

On Wednesday we searched for natural resources in the Willow Classroom to dye our woolly mammoth felt cut-outs. We managed to find leaves, mud and berries (all the berries were bought from Sainsburys!). Mohammed did an excellent job of painting the berry juices onto the template, great concentration!

On Thursday we enjoyed finding dens in the Forest School grounds! It was all very exciting! Viren is becoming a great explorer, his confidence is blossoming in the sessions, and he is exploring the outdoor area independently! Well done Viren!

Next week we will be starting our Christmas crafts! All the children are very excited for Christmas this year, we can't wait to start all things festive and get 2020 over and done with! 😊

And finally...

★
★ Star of the Week goes to... ★

Khane for brilliant work in our Maths lessons this week! Well done we are so proud!

Reminders...

All donations will go towards creating hampers which will be raffled off in school. Tickets on sale soon!!

Friday 4th December - Please send in bottle donations.
