

Woodland Class's Weekly News

W/B 24th May 2021

We started the week with our fantastic pirate party. There were some fantastic costumes, including staff! We had a 'virtual reality pirate ship journey.' We felt the boat rock, the wind in the sails and the water spray. We also heard the canons being fired and the waves crashing against the ship.

We have also celebrated 'Vesak' this week, also known as Buddha Day. We have listened to lots of meditation music, Tibetan chanting and explored some Buddhist symbols using our senses.

Our outdoor area is ready to use, have a look at our photos. There are some things still to be added, including a roundabout, but in the meantime, we have an amazing space with some beautiful bright colours to explore. Next term, our topic is 'Down Under in Australia!' We hope to have a beach party in the new outdoor area!

Have a fantastic half term, enjoy the sunshine and relax!

It is a 6 week half term after the break. If you would like to send in a contribution it will be £6 for the term.

And finally... Well done to Minahil for being our star of the week. Minahil has been interacting with staff and children, vocalising lots. She also loved being in the swings!
