

Oak Class Weekly News

Week Beginning 24/05/21

This Week

Children in Oak Class have continued to work really hard in this last week before half term. We have been looking at the topic of 'stories with historic settings' in English. The children looked at a historic scene and found some good words to describe it. They completed a gap-fill exercise to write a descriptive story setting.

In history, we have been learning about the ancient Maya and the food they ate. We looked at and tried some of the different things that they used to eat, such as maize, honey, beans and tortillas.

On Thursday, we had a great time in Chorley looking at 'book benches' that were dotted around the town. The children also enjoyed listening to two stories whilst sitting outdoors. It was a lovely day and the children were fantastic considering it is so long since we have been out on the bus on a community visit.

It has been great to see Siddhesh using some more symbols, Makaton signs and even some verbalisations this week. Well done!
