

# Ash Class's Weekly News

24<sup>th</sup> June 2022

## This Week....

What a fun week we have had at school. This week we designed our very own bug. We looked at different describing words, we drew and labelled our bug and then we went on to make it out of salt dough. Next week we will be painting it and then we will go on to use it to help us write some poetry. In maths we have been looking at capacity, we have been filling up containers to marks then using symbols or telling an adult whether or not it was full, empty, or half full. Some children also went on to read scales. In PE we have been playing team sports and in PSHE we spoke about what our class rules were and how we should behave when we are in the hall. In my world we finished our science experiment about what plants needed to survive and in baking we made our very own cheese snails. I hope you enjoyed eating them. Finally, we played some maths games. This can be very difficult for certain children however, they have tried exceedingly hard to control their emotions.

Next week – we will be looking at using our describing words and the book we created to make poetry.

## Reminders

Snack fund for next term will be £14 as it's a 7 week term. This is vitally important to help support cooking, messy play, toast at Sainsburys and snack time biscuits and juice.

And finally, the star of the week is... Pharrell

Super effort in controlling his emotions when playing games.
