

# Ash Class's Weekly News

24<sup>th</sup> Sept 2021

## This Week....

What a great week. This week we have continued to work on our counting skills and have been counting irregular groups of objects. This is quite hard as they have to count in an ordered manner and find the different objects they are counting within a mixed group. So, this week we were counting lots of different dinosaurs 10-20. They had lots of fun practicing their counting then we got to consolidate this by playing a game on the whiteboard. In PE we have continued our superhero gym class and this week we have been practicing our balancing skills. In science we looked at insects and mammals and spoke about what the difference was between them in preparation for us going to a farm and zoo. Finally, in our kitchen time we created a café and have started to sell toasted t-cakes to the staff so we can raise money to go to the SPACE Centre!

## Next Week...

Next week we will be filming our story of the little green dinosaur and we will be finishing our Saxon Shields.

## Reminders

For those parents that have, thank you.

Snack fund is due for this term it's an 8 week term so please could we have £16. This is vitally important to help support cooking, messy play and snack time.

And finally, the star of the week is...

Very good behaviour and super effort when painting his shield.
