

Ash Class's Weekly News

25th Feb 2022

This Week....

What was the fabulous first week back we have had. We started out the week talking about what we did over the holidays and the children had quite a lot to say even though the weather was quite poor. We then started our new maths topic which is looking at different types of coins recognising the amounts and next week we will start using them to exchange. We started to design our salt dough aliens and made our very own astronaut masks. In cooking we made red Mars meteorites (Aka cherry scones). In literacy we began to write our story of Beegu. The children have really taken to this book and we have had some fantastic writing off them. We've continued to practise blending to help us read and next week we can't wait to go to the museum. Finally, we worked alongside some children from Woodlands when Lancashire music service came in to do a music session with us. The beatboxing is so much fun.

Next Week...

We will be going to the museum on Tuesday and World Book Day will be on Thursday. Don't forget packed lunches and costumes.

Reminders

Snack fund for next term will be £12 as it's a 6 week term. This is vitally important to help support cooking, messy play and snack time.

Museum Trip on Tuesday

World book day on Thursday

And finally, the star of the week is... Rhys

This week star of the week is Rhys. He has done a fantastic independent piece of writing and has really tried hard to be the best behaved boy in class.
