

# Ash Class's Weekly News

25<sup>th</sup> Nov 2021

## This Week....

This week we have written a letter to Father Christmas. We spent time discussing the different toys that we might like to get we cut them out of the Argos catalogue and then we wrote a letter to Father Christmas. Next week we will be writing our address on an envelope and posting it home for you to look at and posting it to Santa so then he knows what to get us. In art we have continue to look at Ashley Percival and used lots of different stamps to create patterns on our owls. We also created our event decorations for the school tree. In maths we continue to look at subtraction using a 10s frame to solve different subtraction number sentences.

## Next Week...

WE will be playing with Rainbow rice learning the sound R and recording our Christmas Nativity song! Wish us luck.

## Reminders

**Black clothes in for Tuesday**

Xmas jumper day is next Friday!

Don't forget we have a trip on the 7th of December to the Vue cinema. If you have paid thank you if not please send £10 in (this also included the cost of children going to the space centre)

And finally, the star of the week is...

**Viren for super communication using his book to tell us what he wants!**
