

Woodland Class's Weekly News

W/B 25th April 2022

We've had a busy week in Woodlands Class getting stuck into our seaside topic. We have shared a summer sensory session, seaside tac-pac, seaside massage story, beach themed sensory bingo and a summer holidays contact dance.

We have started to build up our beach sensory corner. This week in art we used sand to create our own sandcastle pictures – it was very messy!

It's been another sunny week, so we have enjoyed using our outdoor area, exploring, sharing activities, and practicing our physical skills.

We all enjoyed a musical interaction session this week, it's been a while since we have done this, but the children remembered the songs we use and there was lots of vocalising!

At the end of last week, we celebrated St George's Day – we have added the photos at the bottom of the blog!

Thank you to everyone who has sent in classroom contributions, it really does help in class!

Thank you to everyone who has returned their park walks letter, this is something we do have to complete every term so that children are able to take part in these visits.
