## This Week....

What a great end to such a busy week. This week we went to the butterfly house in Lancaster. The children had such a great time and considering the fact that some of the children get really scared by mini beasts they all behaved and reacted in such a positive way when they went. We all had a treat and ate an ice lolly so we wanted to thank you for supporting this visit. In literacy we wrote the story of the little wriggly worm with some children ordering pictures, others writing parts of the story and some children actually re writing the story in their own words! We should be proud! In baking we made some royal butterfly cakes and finally on Thursday and Friday we celebrated the jubilee. We made a variety of different things like sashes, crown and flags. Finally, on Friday we had a parade to celebrate our creations and paraded them around the yard. What a great term we have had!

Next week – you're on half term don't forget to take pictures and share what you did over the holidays.
