

Woodland Class's Weekly News

W/B 27th September 2021

We've had another very busy week in Woodlands class!

We've been to sensory drama, exploring 'under the sea.' We've enjoyed using the sensory room equipment, vestibular and wheelchair dance.

We made lots of mess on Monday during art, we painted pictures and explored a sticky mixture of condensed milk and coconut! It was very messy!!!

We all loved our sensory story on Monday 'The Snow Dream.' We had Paula and Katy in to join us during the session and they thought we were all fantastic!

We have been outside when the weather hasn't been torrential rain! The weather is getting cooler now, so we will be outside less, but please make sure everyone has warm coats etc. just in case.

Texts have been sent out regarding nasal flu vaccinations – please respond by 12th October

School photos
will be taken on
Monday.

Well done to Isabelle for being our star of the week! Isabelle has been working well on her independence, moving herself in her wheelchair and her self-feeding skills.

Enjoying the
sensory room
and vestibular!

A very messy art session!
