

Woodland Class's Weekly News

W/B 27th June 2022

It was a wet start to the week, and our trip to Worden Park had to be cancelled – not because of the rain, but a problem with the bus! Hopefully we can continue next week. We did make up for missing the trip with a treat out to Sainsburys and the café on Tuesday. We had a lovely time sharing snack and sitting together.

We've been working on building our sensory corner, which now has it's very own 'vegetable patch!' Everyone has been painting using the feet and sponges to make carrots, cauliflower and broccoli!

Rory and Zuzanna had their final transition visit to high school. They did us all proud with their adaptations to a completely new place and staff. Well done Zuzanna and Rory!

Everyone has worked hard this week. Jess had been in Liverpool on a training course for the MOVE programme and being able to train more staff in school to continue with the work we do in class. MOVE is a programme which enables people with complex disabilities to gain functional movement to the best of their ability. Everyone in class benefits from this!

Sports Day

Our sports day this year is on Wednesday 13th July. Details to follow.

Acorns Half Marathon

We are in training for our walk between Fairhaven Lake and school on Saturday 16th July. If you want to join us, please contact school regarding the route.

Well done to Luca and Habibah for both being star of the week.

Luca has been so chatty all week, it's lovely to have conversations with him.

Habibah has done some amazing walking and also requested help independently using a big mack button.
