

Willow Class News

We've had a wonderful busy week this week!

On Monday, we celebrated our Caribbean Carnival! All the children looked fantastic in their wonderful costumes, head dresses and masks! We made Jamaican flags, tasted Caribbean food, played music, and went on a fabulous parade!! A great time was had by all!

In maths we have been looking at measure. The children have been measuring objects around the classroom using cubes, counters, rulers, and paperclips! Khane, Viren and Dylan were excellent at finding objects in the classroom that were longer and shorter than their hands and feet. Well done boys!

On Tuesday, we continued our Supertato story. The children designed a potato face in preparation for our Supertato characters we will be making next week. Mohammed was very careful with his work, super Mohammed! In RE we made doves. Jessica worked well and her dove looks great! Well done Jessica!

On Wednesday, Little Voices came in to do some singing and dancing for music. Ethan was a star, singing along to the music! Well done Ethan! In science, we continued with our materials theme, looking at absorbent, non-absorbant and waterproof. Pharrell concentrated really well and gave some excellent answers to questions asked. Well done Pharrell!

On Thursday, we went to Haslam Park. We had a great time on the park and enjoyed the fresh air. All the children were a credit to school. Super behaviour! Well done everyone!

On Friday, in forest school, we made clay animals. The children manipulated the clay and shaped it to make hedgehogs. They then used other natural materials to make their own animals. Super work everyone!!!

★ And finally...

★ Star of the Week goes to...

★ Omar, for excellent behaviour on our trip out to Haslam Park, and being a lovely friend.
Well done Omar!

Reminders...

Sports day is Tuesday 13th July.

If a member of your family shows ANY signs of Covid-19 symptoms, please follow the government guidelines
