

Woodland Class's Weekly News

W/B 28th September 2020

It has been a strange week with everyone in at different times, but it has been lovely to see everyone who has been in school.

We've all took part in our picnic sensory story, tac pac, sensology and hand awareness. We've had lots of opportunities to explore the sensory trolley and sensory train. We have all been in our standing frames!

Although some of our staff have been self-isolating, we've still seen them several times during the week via zoom. Everyone was happy to hear their voices.

Thank you for the support we received for the MacMillan coffee morning. And thank you to everyone who joined us this week for our zoom session.

Next week we are looking forward to everyone being back in school together.

Don't forgot to check the website www.acorns.lancs.sch.uk for the latest information.

Please contact me on jmiller@acorns.lancs.sch.uk or call to speak to any member of staff from class

Thank you to everyone for the classroom contributions so far. This is £1.00 per week or £7.00 for the half term.

And Finally... Well done to Evie and Luca for being our stars of the week.

We are very proud that Evie has been in school for her first two full days, she has enjoyed getting to know everyone.

Luca was a superstar singing during zoom sessions and has also been even more vocal at school - answering questions at the right time!
