

Woodland Class's Weekly

W/B 28th March 2022

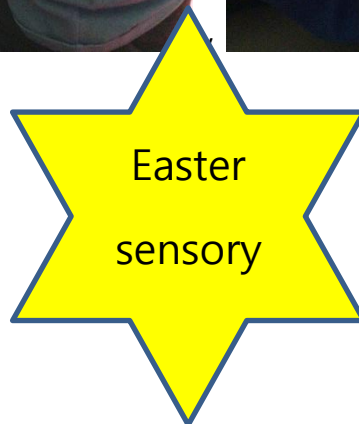

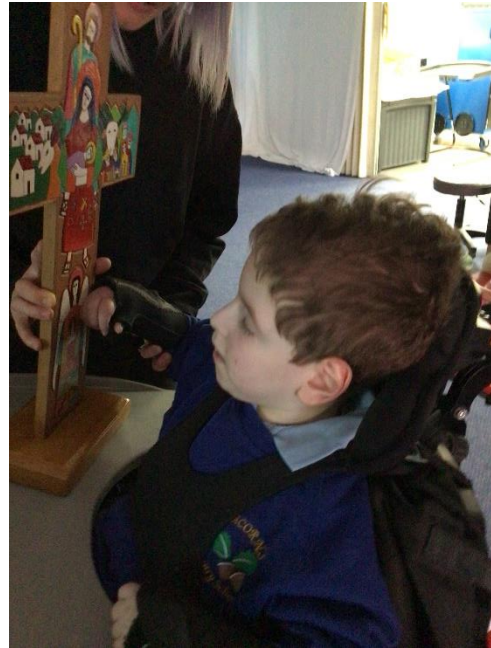

It's been a very busy week for the last week of term. We started the week with sunshine and a trip to Avenham park for a few children. We had to cancel our second trip because it was just so cold by the end of the week!

We celebrated Easter this week, Easter egg hunt, egg rolling and even Easter bingo for the adults! We have explored an Easter sensory story and listened to Easter music.

We hope that you all have a very well-deserved Easter break. Thank you for all your support this term. Well done to everyone for their hard work – children and staff! It has been challenging at times but everyone has been a superstar.

School reopens on Tuesday 19th April. Feel free to send photos of anything exciting you get up to over the break – it is always

Well done to Myles for being our star of the week. Myles has used his walking time for the first time this week! He is a superstar.
