

Seedlings Weekly News

W/B 22nd November 2021

This week...

We have started our Christmas topic! We've shared our sensor story 'Dear Santa', we have started singing Christmas songs and we've been completely some lovely Christmas crafts, as well as baking- we made edible snowballs, exploring outside, working on our fine motor skills, developing our understanding of number and counting. Working on our early reading skills and moving to music. The children have also been playing in our hot chocolate stand role play area.

We decorated star shapes which will be used in a school display.

The boys have been building!

The hot chocolate stand.

Making edible snowballs!

We had a lovely day on Friday in our Christmas jumpers!

Have a lovely weekend 😊
